Related Academic and Workplace Skills List

Section A: Aseptic Technique Module 1-A: Principles of Aseptic Technique

Evaluate Your Personal Health and Hygiene (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Thinking skills	Problem solving	Recognizing and defining problems
	Personal management skills	Career awareness, development, and mobility	Assessing self accurately, setting personal goals, establishing and implementing a plan, and monitoring progress
Investigate Policies and Procedures Concerning OR Attire for a Specific Medical Facility (A.S. 2)	Basic skills	Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Information	Acquisition and evaluation	Obtaining data from existing sources and evaluating its accuracy
Complete Case Studies on Applications of the Principles of Aseptic Technique (A.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Thinking skills	Problem solving	Recognizing and defining problems
	Information	Acquisition and evaluation	Obtaining data from existing sources and evaluating its accuracy
Perform a Two- to Three-Minute Medical Handwash (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Package an Item for Sterilization (Envelope or Square Fold) (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation

Related Academic and Workplace Skills List

Open a Sterile Pack on a Back Table (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Open a Sterile Peel-Pack (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Open a Sterile Cloth- or Paper-Wrapped Package (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Open a Sterile Basin on a Ringstand (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Pour a Sterile Solution (J.S. 7)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation

Module 2-A: Scrubbing, Gowning and Gloving

Perform a Mechanical Surgical Scrub (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform a Brushless Surgical Hand Scrub (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Dry Hands After a Surgical Scrub (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform Self-Gloving Technique (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Self-Glove Using the Closed Technique (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform Assisted-Gowning Technique (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Perform Assisted-Gowning Tie and Closure (J.S. 7)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Related Academic and Workplace Skills List

Replace Contaminated Gown and Gloves Mid-Procedure (J.S. 8)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Self-Glove Using the Open Technique (J.S. 9)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Remove Contaminated Gown and Gloves (J.S. 10)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Module 3-A: Sanitation, Sterilization and Disinfection

Hand Wash Instruments (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Clean an Endoscope (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Inspect Instruments (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Technology	Maintenance and troubleshooting	Preventing, identifying, or solving problems with equipment, including computers and other technologies

Surgical Techniques

Package an Item for Sterilization (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Operate Flash Sterilizer or Autoclave (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Sterilize an Endoscope With a Steris (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Clean Up an Operating Room After Case (J.S. 7)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Clean Up an Operating Room at End of Day (J.S. 8)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Science	Applying knowledge learned through study and practice that is based on scientific principles, methods, and techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation

Related Academic and Workplace Skills List

Section B: Patient Care Module 1-B: Preoperative Routine and Related Nursing Procedures

Complete Preoperative Checklist and Operative Consent Form (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Prepare a Stretcher (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Transport Patient From Room to OR (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Listening	Receiving, interpreting, and responding to oral messages and other cues
	Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner	
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Transfer Patient From Stretcher to OR Table (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Listening	Receiving, interpreting, and responding to oral messages and other cues
	Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner	
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Transfer Anesthetized Patient From Stretcher to OR Table (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Surgical Techniques

Transfer Patient From OR Table to Recovery Stretcher (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Assess Radial Pulse (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
		Listening	Receiving, interpreting, and responding to oral messages and other cues
	Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner	
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Information	Interpretation	Selecting and analyzing information and communicating the results to others	
Assess Apical Pulse (J.S. 7)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
		Listening	Receiving, interpreting, and responding to oral messages and other cues
	Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner	
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Information	Interpretation	Selecting and analyzing information and communicating the results to others	
Assess Apical/Radial Pulse (J.S. 8)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
		Listening	Receiving, interpreting, and responding to oral messages and other cues

Related Academic and Workplace Skills List

		Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
	Information	Interpretation	Selecting and analyzing information and communicating the results to others
Assess Respirations (J.S. 9)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
		Listening	Receiving, interpreting, and responding to oral messages and other cues
		Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Information	Interpretation	Selecting and analyzing information and communicating the results to others
Obtain Blood Pressure Reading (J.S. 10)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
		Listening	Receiving, interpreting, and responding to oral messages and other cues
		Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Information	Interpretation	Selecting and analyzing information and communicating the results to others

Module 2-B: Care of Patients With Special or Complex Needs

Complete Complex Needs Case Studies (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner

	Thinking skills	Creative thinking	Using imagination to generate new ideas
		Decision making	Specifying goals and constraints, generating alternatives, considering risks and evaluating and choosing the best alternative
		Problem solving	Recognizing and defining problems, devising and implementing a plan of action, and tracking and evaluating results
		Reasoning	Applying a rule or principle underlying the relationship between two or more objects when solving a problem
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Negotiation	Resolving conflict between two or more individuals through discussion and compromise
		Cultural diversity	Working well with men and women and with a variety of ethnic, social, or educational backgrounds

Module 3-B: Positioning and Prepping

State Positions Commonly Used for Various Surgical Procedures (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
Define the Limits for Surgical Skin Preps on Various Surgeries (A.S. 2)	Thinking skills	Seeing things in the mind's eye	Mentally organizing and processing symbols, pictures, graphs, and other information
		Knowing how to learn	Using efficient learning techniques to acquire and apply new knowledge and skills
Position Patient in the Supine Position and Its Variations (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Position Patient in the Prone Position and Its Variations (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Related Academic and Workplace Skills List

Position Patient in the Lateral Position and Its Variations (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Prep Patient's Skin for Abdominal Surgery (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Listening	Receiving, interpreting, and responding to oral messages and other cues
		Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Prep Patient's Skin for Surgery on an Extremity (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Listening	Receiving, interpreting, and responding to oral messages and other cues
		Speaking	Communicating a thought, idea, or fact verbally in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Module 4-B: Care of Specimens			
Complete Pathology Form for Specimen (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Information	Acquisition and evaluation	Identifying need for data, obtaining it from existing sources or creating it, and evaluating its relevance and accuracy
Pass Specimen From Sterile Field to Circulator (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Receive Specimen From Sterile Field (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Section C: Surgical Case Management Module 1-C: Duties of Surgical Team

Differentiate Between Perioperative Roles and Responsibilities of the Surgical Technologist and Circulator (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Thinking skills	Knowing how to learn	Using efficient learning techniques to acquire and apply new knowledge and skills

Module 2-C: Surgical Environment and Equipment

Describe the Hospital and Operating Room Environment (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Information	Acquisition and evaluation	Identifying need for data, obtaining it from existing sources or creating it, and evaluating its relevance and accuracy
Diagram a Typical OR (A.S. 2)	Thinking skills	Seeing things in the mind's eye	Mentally organizing and processing symbols, pictures, graphs, and other information
Apply a Pneumatic Tourniquet (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Technology	Application	Demonstrating proper procedures for setting up and operating equipment

Module 3-C: Instrumentation

Classify Basic Surgical Instruments According to Their Functions (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Thinking skills	Knowing how to learn	Using efficient learning techniques to acquire and apply new knowledge and skills

Related Academic and Workplace Skills List

Determine Appropriate Instrumentation for Case Study (A.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Thinking skills	Decision making	Specifying goals and constraints, generating alternatives, considering risks, and evaluating and choosing the best alternative
		Reasoning	Applying a rule or principle underlying the relationship between two or more objects when solving a problem
Load and Unload a Scalpel Blade on a Scalpel Handle (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Pass a Loaded Scalpel to Another Person (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Pass Various Instruments to Another Person (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Assemble a Bookwalter Self-Retaining Retractor (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation

Module 4-C: Sutures, Needles and Stapling Devices

Prepare and Transfer Suture Material to Sterile Field (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Surgical Techniques

Straighten Sutures (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Load and Pass a Needle Holder With Swaged Needle for Right- and Left-Handed Surgeons (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Load, Thread, and Pass a Needle Holder With Eyed Needle for Right- and Left-Handed Surgeons (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Pass Ties (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Tag and Cut Sutures (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Module 5-C: Sponges, Dressings, Packings and Counts

Complete a Count Sheet (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Information	Acquisition and evaluation	Identifying need for data, obtaining it from existing sources or creating it, and evaluating its relevance and accuracy

Related Academic and Workplace Skills List

Construct a Sponge Stick (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Assemble and Apply a Routine Post-Operative Abdominal Dressing (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Apply an Ostomy Bag to an Abdominal Stoma Site (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Assemble and Apply a Montgomery Strap (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform a Sponge, Sharp, and Instrument Count (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Module 6-C: Drainage Systems and Tubes

Connect a Hemovac® (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Connect a Jackson-Pratt® or Blake Drain® (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal
Connect a Chest Tube to a Closed Drainage System (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
	Interpersonal skills	Teamwork	Working cooperatively with others to reach a common goal

Module 7-C: Preparation and Draping of the Sterile Field

Solve Problems for Given Draping Situations (A.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Writing	Communicating a thought, idea, or fact in written form in a clear, concise manner
	Thinking skills	Problem solving	Recognizing and defining problems, devising and implementing a plan of action, and tracking and evaluating results
Drape a Mayo Stand (J.S. 1)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Arrange a Basic Back Table (J.S. 2)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Arrange a Basic Mayo Stand (J.S. 3)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Drape Patient for a Laparotomy (J.S. 4)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation

Related Academics and Workplace Skills

Drape Patient for Vaginal Surgery (J.S. 5)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Drain Patient for Surgery on an Extremity (Leg) (J.S. 6)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform Perioperative Surgical Technologist's Duties (J.S. 7)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
Perform Perioperative Circulator's Duties (J.S. 8)	Basic skills	Reading	Comprehending written information and analyzing, summarizing, and applying what has been read to a specific task
		Arithmetic/mathematics	Performing basic computations, applying estimating and reasoning skills, and solving practical problems using a variety of mathematical techniques
	Personal management skills	Organizational effectiveness	Adapting to the organization's goals, values, culture, and traditional modes of operation
